Time: 9 am - 4 pm

Hume Global Learning Centre

1093 Pascoe Vale Road, Broadmeadows

**Cost: \$275** (including GST and lunch)

---

Take the day to work ON your business rather than IN it. This workshop is interactive and will challenge you to think outside the square to look at the big picture and to plan a great business. It will empower you to create your own definition of success for the business, plan the steps to achieve your vision, then create performance measures to keep you on track, PLUS much more. You will even go home with your own draft Strategic Plan for the business.

---

You will receive your own comprehensive workbook
